

A deep and captivating performer, Magos Herrera is considered one of the most beautiful voices and the most active vocalist of the contemporary Latin American jazz scene.

A dazzling and accomplished singer-songwriter known for her beguiling rhythmic scatting, inflected with soulful Latin-Andalusian phrasings, Herrera owns a unique signature that elegantly blends her classic jazz styling with Latin-American melodies. Fluent in Spanish, Portuguese and English, her repertoire is filled with the yearning romance, intimacy and enchantment of Mexican and Cuban sones and boleros, and sultry, languid Brazilian beats.

“...Herrera creates a thoroughly modern expression of jazz performance and Latin culture on *Distancia*, easily holding the weight of an intelligent and complex sound with her prodigious musicianship.”
- Chip Boaz, Latin Jazz Corner
