

New York Voices is the Grammy award-winning vocal ensemble renowned for their excellence in jazz and the art of group singing. Like the great groups that have come before, such as Lambert, Hendricks and Ross, Singers Unlimited, Manhattan Transfer and Take 6, they have learned from the best and taken the art form to new levels. Their interests are rooted in jazz, but often Brazilian, R & B, classical, and pop influences are included with equal creativity and authenticity.

NYV has traveled the globe with their elegant music, befriending people everywhere they go. They have appeared on the stages of Carnegie Hall, Lincoln Center, The Kennedy Center, The Blue Note (Tokyo, Milan, New York), The Zurich Opera House, and the list goes on. They have been seen at the many jazz festivals including the North Sea Jazz Festival in Holland, The Montreal Jazz Festival, and the New Orleans Jazz and Blues Heritage Festival.

"New York Voices lives up to its reputation as the most exciting vocal ensemble in current jazz...to collect such quality voices in one group is rare enough, yet the real trick of New York Voices is how well they mesh..."
